

**Canada is the moment that
changed my life forever**

**One day daddy came home, he
was so enthusiastic
I didn't know what he was
talking about. He said
Something, about a place called
Toronto in Canada and
we were going to live there.**

**I was only 7 when I went to live
in Canada. At
first I hated it so so much. But
then I went
to school. My school was called
Mentor College.
my first teacher was called
Mrs. Andrewjuski.
Mrs. Andrewjuski was a kind
person.
She had 2 kids so she
understood kids.**

**There were 14 people in my
class.
My best friend was called
Justine she was great fun.
There was that holiday, it was a
terrible holiday.
Me my dad, mum and Charlie,
but I got the worst of
It. We had just fished watching
a ice-hockey mach on a
pond my daddy had made us
buy ice-scats.
So I had put on my skates and
then I screamed again and
again,
I had never screamed like that
before.**

So when I went back to school.
Every one had a shock I had
broken my leg.
They all asked me what had
happened!!!!!!!!!!!!!!
I said over and over again, what
had happened.
Mrs. Andrewjuski said that
speech night was coming up
and
Then she said it was on march
10th my birthday!!!!!!!!!!
So come up chose your speech
I picked the crab.

So we had to type out our
speeches .
There was lots of preparation.
I remember that night so well if
it was yesterday
Every one had done there
speeches all except
Me, Alex, Justine, Emily and
Mohamed.
I was next, luckily I made no
mistakes
Justine, Emily and Alex,
Mohammed also had no
mistakes

Soon it would be the end of
semester and I would be
Free. There is a fun day, with a
fun fair, there was a ferris wheel
and a huge scrambler, a
scrambler is an awesome ride
when you go in all different
Directions.

Now I was free to go home and
go on holiday.
And have a play with my
friends.
That year we went to Vancouver
daddy said lets go out to a
restaurant.
Daddy orders some clams that
weren't cooked, he was very
sick.
Dad had to go in to hospital.

So we went home

**It was time to go back to school.
That year my teacher was called
miss.zecic.**

**She was fun. She is from
Bosnia but she escaped from
the war.**

**I was glad I got miss.zecic as
my teacher.**

**Justine and me had to look after
a girl called Alexis Gasser.**

**She was great fun, that year we
had more and more homework**

**Months went by and it was
speech night again this time it
is**

On my birthday again!!

My speech is on the racoon.

**This time I had lots of mistakes
after speech night there was a
field trip.**

**That night my parents told me
we had to go to England!**
